

SPECIAL FLIGHT OPTIONS

DEADLINE:

It is best when the request is made at the time of the group's enrollment. If this is not possible, the request must be received in Interact's office before the group's second payment. There are no waivers or exceptions.

RESEARCH FEE:

The \$150 non-refundable & non-transferable research fee must be attached to this form. If alternate return is confirmed, this fee will be applied to the balance due.

ADDITIONAL AIRFARE IS LIKELY

It is likely that the special flight option will be more than the cost of the group airline ticket. Additional airfare or deviation fees of up to \$300 will be billed automatically and due with the final payment. If the airfare would be more, you will be contacted for approval. You must return from the same city of group departure, return to the same U.S. city the group departed from, and travel via the same airline as the group.

AIRFARE / TRANSPORTATION ABROAD

Participants are responsible for making all arrangements within the foreign country. The program ends with the completion of the group transfer to the airport for the confirmed group return flight.

CONFIRMED SPECIAL OPTION FLIGHT SCHEDULE

Confirmation of special flight option information will be in February. Specific flight times can be requested but they cannot be guaranteed.

Special flight options can be requested for:

- Travel May - August
- Organizing Teachers or Official Assistants and/or their immediate family members

Special flight options are not available for:

- Travel September - April
- Participants under the age of 21
- Organizing Teachers without an Official Assistant age 21 or older, who is returning with the group.

Organizing Teacher: _____

Name of Participant Requesting Special Flight: _____

Preferred date of return: _____

Earliest date you can return: _____

Latest date you can return: _____
