Your special Junior Program combines four hours of daily group lessons plus student *interACTIONS*. Your program is specially created to improve your Spanish skills while providing a challenge to experience the fun and excitement of discovering a new culture. Teachers provide the linguistic tools necessary to communicate successfully with your host families as well as the locals. Students experience *interACTIONS* through educational games and out-of-class activities.

Standard *interACTIONS* include a city tour, Tango lessons, and volunteer project, such as Salt & Light.

Additional *interACTIONS* are organized regarding the specific interests of your group (minimum 12 students). Select two at time of enrollment: futbol matches, Salsa lessons, Tango Show, Argentine movie at the City Hall cinema, or a visit to the Jesuit ruins.
