SUNDAY- Arrival Antigua

Arrival Guatemala City International Airport. Greeting by Tecun Uman Language School Staff in airport lobby. Transfer to Antigua. Antigua is among the world's best conserved colonial cities, it is a magical and captivating small town that makes you feel time might have stopped some 300 years ago. It's famous for its spring-like climate, cobblestone streets and impressive ruins. It's surrounded by lush tropical mountains and towering volcanoes. Antigua is renowned for its tranquility and friendliness.

Arrive Tecun Uman, which serves as the meeting point and social center for group activities. Meet the Program Director as you're introduced to your host families.

YOUR MIDDLE CLASS HOST FAMILIES are relatives, neighbors, or lifelong friends of our homestay directors. Regardless, all families are monitored and continually evaluated. Host families provide all meals - except those included as part of the touring. Everyone speaks Spanish in the home. Students normally share with one other group member of the same general language ability.

Daily half day language sessions feature a blend of structure, conversation, and practicalities.
